

# MAREY®

## HEATER CORP.

### POWER MINI GAS MODEL

## PORTABLE TANKLESS WATER HEATER

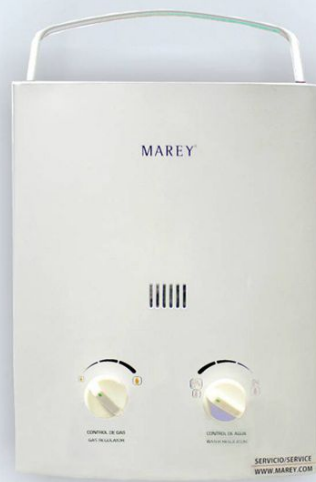

- Saves energy: gas and water adjustment controls
- Anti-dry safety switch device
- Automatic IC ignition system
- Overheat safety devices
- Low water pressure activated
- Advanced technology
- High quality components
- Easy installation
- Portable: compact, lightweight design

## PERFECT FOR MANY USES

- Home
- Outdoors
- Camping
- Backup water heater for power outages or storms and more!

### INSTANT HOT WATER WHEREVER YOU NEED!

TECHNICAL SPECIFICATIONS POWER MINI GAS	
Fuel Type	LPG (Liquid Propane Gas)
Model	GA5PORT
Activation Flow Rate	2.2 LPM / 0.58 GPM
Maximum Flow Rate	5 LPM / 1.5 GPM
BTU/h	35,000 BTU/h
Related Gas Pressure	0.4 PSI
Aplicable Water Pressure	3.6 - 145.0 PSI
Ignition	Electric Pulse, D Cell Battery Powered (No electrical connection required)
Protections	Auto-cutt-off, water, controlled, automatic ignition, anti-dry combustion, over-pressure, overheating, flameout protection
Height x Width x Depth	17.0" x 11.4" x 4.7"
Weight	12 lbs
Pipe Fittings	½" NPT, incoming/outgoing water & gas
Energy Efficiency	54 - 87%

### \*FREE ACCESSORIES\*

- Hand Shower Nozzle with On/Off Control
- 5' CSA Approved Regulator
- Folding Handles
- Kit Connector for Garden Hose
